- Analyze campaign performance
- Design marketing visuals and edit video material
- Plan business events and conferences in various industries
- Develop our innovation-focused content
- Contact & website management (Ibexa-based)

Your Growth Opportunities:

- Work at the intersection of German engineering and Silicon Valley innovation
- Build an international professional network
- Gain hands-on experience in a dynamic, fast-paced environment
- Real project ownership from day one

Required qualifications

- Recent/upcoming degree in Marketing, Communications, Business, or related field
- Digital Marketing/Communications experience
- Creative and curious communication enthusiast
- Proactive and self-driven problem solver
- Bilingual proficiency in German and English
- Passion for innovation, tech and international business

What we offer

- 38 hours per week
- Monthly salary of \$ 3.404.64
- 20 days paid vacation per year
- 15 national holidays
- Duration: 12 months
- Start Date: mid-April 2026
- Support with the J-1 visa application

Join us in shaping the future of German American business relations. Please send your compelling application documents (cover letter and resume in English) to Sabine Grad (career_sf@gaccwest.com). Due to the high number of applicants, we cannot answer every application individually.

We will reach out to you if we want to move forward with your application. Thank you very much for your understanding.

Please note: In compliance with U.S. federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification document form upon hire.
